

Assignment Tuesday August 26th Blended Physics

A) Take notes over the Science of Physics CH 1.1 in your text. You will need to define all vocabulary for CH 1.1 and write down **all** other important information. The vocabulary is also listed at the end of each chapter or is highlighted in blue while you read through the textbook. You have options on how to take your notes.

1. Read the textbook and take notes.
2. Listen to the voice over of the textbook and take notes.
3. Listen and watch my presentation and take notes.

I would read and take notes and then watch my presentation to get other information.

Wednesday you will bring your notes to class so Hovde can check off that you did them.

B) Take the quiz at the end of CH 1.1. Take the quiz as many times as you like and then print the quiz to **turn in Wednesday**.

C) Take notes over the Scientific Inquiry CH 1.2 in your text. You will need to define all vocabulary for CH 1.2 and write down **all** other important information. The vocabulary is also listed at the end of each chapter or is highlighted in blue while you read through the textbook. You have options on how to take your notes.

1. Read the textbook and take notes.
2. Listen to the voice over of the textbook and take notes.
3. Listen and watch my presentation and take notes.

I would read and take notes and then watch my presentation to get other information.

Wednesday you will bring your notes to class so Hovde can check off that you did them.

D) Take the quiz at the end of CH 1.2. Take the quiz as many times as you like and then print the quiz to **turn in Wednesday**.

E) Questions to answer starting on page 35.

30, 33, 36, 37, 39, 42, 44, 78, 79, 80, 81, 83, 84, 86

These questions are due Wednesday
