

Assignment Wednesday September 10th Blended Physics

- A) On page 118 is an online lab. For acceleration You only have to do part 1. Filling in numbers to the equation try to get the line to run through both points. Once you are happy with the grade it is giving you in the right hand bottom corner take a screenshot and post to my Moodle page. **Upload by 11:00 pm today.**
- B) Your test is tomorrow. I have posted a review for you to work on. I was looking at the test as I was making the review so I think it is a good gauge of the test. Use this to study for the test.
