

Assignment Friday September 12th Blended Physics

A) Take notes over Weight and Mass Ch 5.1 and Newton's 1st Law 5.2 in your text. You will need to define all vocabulary for CH 5.1 and 5.2 and write down **all** other important information. The vocabulary is also listed at the end of each chapter or is highlighted in blue while you read through the textbook. You have options on how to take your notes.

1. Read the textbook and take notes.
2. Listen to the voice over of the textbook and take notes.
3. Listen and watch my presentation and take notes.

I would read and take notes and then watch my presentation to get other information.

B) Take the quizzes at the end of CH 5.1 and 5.2 Take the quiz as many times as you like and upload your grade to Moodle by 11:00 pm **Sunday**.

C) Do the calculator activity on page 135. Work problems A-F. (Nothing to turn in)

REMINDER

I will not be in class Friday. I have a doc appointment. If you need my help email me at hovdead@lisd.net

The test is graded and in the grade book. I had to put a 16 point curve on the test. We need to talk about how we are going to proceed with tests in the class.

You will have another assignment on Monday and I will see you on Tuesday.

If your grade has fallen below an 80 you will have to come to class every day until your grades goes above an 80.
