

## Assignment Friday September 19<sup>th</sup> Blended Physics

A) Take the quiz in Moodle over Newton's Laws. This quiz covers the notes. You will have a math quiz on Monday. This must be completed by Sunday night at 11:00 pm.

B Do the worksheet over Newton's Laws. This will be turned in Tuesday for a grade. Please, work problems on a separate sheet of paper. If you need help with this come and ask questions on Monday.

No other work.

If your grade is below an 80 you have to come in until it goes above an 80. If you did not turn work in then you have to come to class. If you were absent you also have to come to class to make up the day.
