

Assignment Friday September 26<sup>nd</sup> Blended Physics

A) Do the Projectile Motion Problems Due Tuesday on Moodle. Have these worked out by Tuesday. You have an online quiz Monday over vectors and projectile motion.

B) Study for the quiz. It will be all multiple choice but will cover the notes and problems.

No other work.

If your grade is below an 80 you have to come in until it goes above an 80. If you did not turn work in then you have to come to class. If you were absent you also have to come to class to make up the day.
