

Assignment Monday September 29<sup>nd</sup> Blended Physics

A) Take the quiz over 2 dimensional motion. You only get 1 chance at the quiz so take your time. The quiz must be completed by 11:00 pm Monday. The quiz covers notes and problems.

B) No other work for the class today. Tuesday we will do a lab in class.

No other work.

If your grade is below an 80 you have to come in until it goes above an 80. If you did not turn work in then you have to come to class. If you were absent you also have to come to class to make up the day.
