

Assignment Wednesday October 1st Blended Physics

A) Take notes over Energy. The notes are split into 2 videos. Watch and take notes on both Energy videos. The notes are labeled Energy Notes Part 1 and Energy Notes Part 2.

B) No other work for the class today. Thursday we will do energy problems.

No other work.

If your grade is below an 80 you have to come in until it goes above an 80. If you did not turn work in then you have to come to class. If you were absent you also have to come to class to make up the day.
