

Assignment Friday October 3rd Blended Physics

A) Take the last set of Energy notes. Energy Notes part 3 are on the Moodle page.

B) Do the Energy Worksheet part 1. This worksheet is due on Tuesday. If you have questions please come by and ask. You know where my room is.

No other work.

If your grade is below an 80 you have to come in until it goes above an 80. If you did not turn work in then you have to come to class. If you were absent you also have to come to class to make up the day.
