

Assignment Monday October 6th Blended Physics

- A) Take the quiz over Energy Notes. You only get 1 chance at the quiz so take your time. The quiz must be completed by 11:00 pm Monday. The quiz covers notes and problems.
- B) You have another Energy worksheet to work on (Energy Worksheet 2). This worksheet is due Tuesday when you get to class.

No other work.

If your grade is below an 80 you have to come in until it goes above an 80. If you did not turn work in then you have to come to class. If you were absent you also have to come to class to make up the day.
