

Assignment Monday October 20th Blended Physics

- A) Take the quiz over momentum. Due by 11:00 pm tonight
- B) Work on the 2 worksheets you have over momentum. Both worksheets are due Tuesday.
- C) The Momentum exam review is posted on Moodle.
- D) The midterm review is posted on Moodle. Start looking over this review. Your midterm is Friday next week.

No other work.

If your grade is below an 80 you have to come in until it goes above an 80. If you did not turn work in then you have to come to class. If you were absent you also have to come to class to make up the day.
