

Assignment Monday November 3rd Blended Physics

A) Take notes over Torque. The notes are in 2 sections part 1 and part 2. The notes are posted on Moodle..

B) A worksheet over Universal Gravitation has been posted. It is due Thursday this week.

No other work.

If your grade is below an 80 you have to come in until it goes above an 80. If you did not turn work in then you have to come to class. If you were absent you also have to come to class to make up the day.
