

Assignment Wednesday November 12th Blended Physics

- A) You have a worksheet to work on that covers the Vibration, Waves and Sound notes that you took the last 2 periods. The answers to the math portion is given but if you show no work you get no credit. This worksheet is due Tuesday next week. You will be getting 2 MORE worksheets for this unit.

The grade book is updated.

These people need to come in because they did not finish their work for the last unit.

Shelly, Stormy, Victoria, Kyle and Brooke

You all owe my time some more than others.

No other work.

If your grade is below an 80 you have to come in until it goes above an 80. If you did not turn work in then you have to come to class. If you were absent you also have to come to class to make up the day.
