

Assignment Friday November 14th Blended Physics

You have worksheets 2 and 3 to work on over Vibrations, Waves and Sound. All of the worksheets you have received for this unit (1-3) are due on Tuesday. Monday you will have an online quiz and the review for the test will be posted.

Hovde will not be in class on Monday. Those that have time to make up can still come in and work with the sub.

No other work.

If your grade is below an 80 you have to come in until it goes above an 80. If you did not turn work in then you have to come to class. If you were absent you also have to come to class to make up the day.
