

Assignment Monday November 17th Blended Physics

You have a quiz to take online that is due by 11:00 pm tonight. The review for the test is posted. Be ready for the test tomorrow.

You will turn in all 3 worksheets tomorrow in class.

Hovde will not be in class on Monday. Those that have time to make up can still come in and work with the sub.

No other work.

If your grade is below an 80 you have to come in until it goes above an 80. If you did not turn work in then you have to come to class. If you were absent you also have to come to class to make up the day.
