

Assignment Wednesday November 19th Blended Physics

A. Take notes on Light. These notes have 2 parts. This chapter is a bit complicated if you have questions I will answer them Thursday in class.

No other work.

If your grade is below an 80 you have to come in until it goes above an 80. If you did not turn work in then you have to come to class. If you were absent you also have to come to class to make up the day.
