

Assignment Friday November 21st Blended Physics

- A) Notes on Color. This is in 2 parts. You will have a week off for Thanksgiving. Be safe. You will have notes over Reflection and Refraction on Monday after the break. You will also get a worksheet on that Monday. See in class December 2nd.

No other work.

If your grade is below an 80 you have to come in until it goes above an 80. If you did not turn work in then you have to come to class. If you were absent you also have to come to class to make up the day.
