

Assignment Monday January 12th Blended Physics

Worksheet on Magnetism ☺ Due Tuesday, yes tomorrow.

Also, the review for the final is posted. It is worth 4 each page is worth .5 points. You can earn up to 3.5 if you do all of the problems I will round up to 4 points. If you do not do all the problems I will round down. Only way to get 4 points is to do all problems otherwise I round down.

Do all 3.5 = 5

Not doing all 2.5 = 2 or 1.5 = 1 or .5 = 0

Have a good day!
